## EXPERIENCE

Outbound Routing Coordinator                                    4 months
Airport Drayage                                                 Portland, OR
- Performed a range of office roles from processing paperwork to data entry to assisting in the warehouse
- Built and maintained strong relationships with clients, many high-value across the nation and globe
- Learned the complex set of regulations needed to navigate the industry and each aspect of the position
- Balanced ledgers and transactions from clients in a high-intensity environment left no room for errors
- Quickly entrusted to handle full responsibilities during evening shift on my own
- Handled multiple crucial issues that often required immediate solutions

**Supervisor**                                                      **7 months**
**IFCO**                                                         **Portland, OR**
- Managed 30 employees of diverse backgrounds to meet daily production goals
- Increased productivity by more than 80%, contributing to one of the best years on record
- Bridged cultural and language barriers to ensure everyone is safe, productive, and content
- Maintained morale, productivity, and continuously evolving health standards during the COVID-19 outbreak
- Completed rigorous daily and weekly paperwork to meet SOP standards with no room for error
- Contributed to streamlining efficiency while maintaining a healthy and equitable workplace for all

**Production Associate**                                              **3.5 years**
**Goodwill Industries**                                          **Portland, OR**
- Earned a minimum 50% of production each day and increased the goal by 30%
- Became department leader through mastery of intricate ruleset and training new hires
- Appraised hundreds of books and media daily, exceeding demands of a variable work environment
- Provided stellar customer service, ensured a safe environment, and kept the department organized
- Trained new department members, each from a different background and experience level

## EDUCATION
